Township Board recommended Mr. Maschke contact the Road Commission to be added to the agenda for their meeting on June 23, 2022. He can discuss his proposal about the apron extension with them as the Township legally cannot pay for road work on private roads. The board does however support his proposal.

Mr. Lewis asked if he were to take the fence down would the lawsuit be dropped. Keinath responded that if there was no fence there would be no violation, at that point the board would vote regarding the lawsuit.

Mr. Male brought it to the Township Boards attention that a ditch/drain may have recently been filled by MI Gravel. The neighboring property has been flooded because of this potential issue. The Supervisor will investigate the situation.

Zoning Administrator's Report. Thank you.

Supervisors Report. Thank you.

The Planning Board has been reviewing the Township ordinances and will bring forth any revisions that need to be made to clear up any grey areas.

Motion by Green, support by Jaruzel to adjourn.
Meeting adjourned at 9:13PM.
