RENEWABLE ENERGY WORKSHOP

Join the Millington Township Planning Commission for an informative and engaging Renewable Energy Workshop focused on planning, zoning, and the future of renewable energy in our community. Learn how PA 233 impacts local renewable energy projects and how municipalities can prepare for large-scale renewable energy developments.

What to Expect:

- ✓ Overview of renewable energy basics and local impact
- ✓ Discussion on PA 233 and the four permitting pathways
- ✓ Guidance on creating workable ordinances for renewable energy projects
- ✓ Q&A session with industry experts and planners

Who Should Attend?

- ✓ Township officials & planners
- ✓ Local landowners & residents
- ✓ Renewable energy developers
- ✓ Community stakeholders
- ✓ Anyone interested in learning about renewable energy policy

This workshop is a great opportunity to gain valuable insights, ask questions, and contribute to the future of renewable energy in Millington Township.

- ◆ Free to attend! No registration required.
