It was noted that Alvin Zavitz is unable to deliberate or vote on this matter due to a conflict of interest of serving on the Planning Commission during the initial approval. The removal of Alvin Zavitz resulted in a loss of quorum which is 3 members of 5 appointed for the Zoning Board of Appeals per the Millington Township Zoning Ordinance. Therefore, the meeting was adjourned due to lack of quorum.

Motion to adjourn by Robert Benard and supported by Matt Opperman.

Meeting adjourned.
